

SG/CF-4 General engine oil

【Performance features 】

- Restrain efficiently the generation of black oil sludge to keep the engines clean;
- Contain special anti-wear additive, which can reduce the friction and prolong efficiently the service life of engine;
- High TAN offers excellent anti-oxidization ability.

【Application 】

This product can be applied in medium-to-high class sedan cars, engineering machines, large passenger cars, large container trucks, bulldozers, grabs, mining equipments and motorcade mixed with gasoline and diesel engines that are required API SG or CF-4 or below oil.

【Products 】

5W/30, 10W/30, 10W/40, 15W/40, 15W/50 and 20W/50

【Drain interval 】

10,000 km for gasoline engines and 20,000 km for diesel engines
